

National Institute of Open Schooling
Senior Secondary Course: Sociology
Lesson 5: Society, Community, Association and Institution
Worksheet - 5

Note: Write your name, enrolment numbers, AI name and subject on the first page of the answer sheet.

1. Justify how interdependence is one of the attributes of society with example from your everyday life?
2. Relationships also have an element of conflict. Explain the statement with examples.
3. How would you describe if someone says that sense of belongingness is stronger in community?
4. Elaborate types of communities as stated by German Sociologist F. Tonnies.
5. Do you think that traditional community structures have weakened under the impact of British rule? Explain the arguments in favour or against of it.
6. What characteristics do you find in working of a cricket club that decides to call it as an Association?
7. What is your viewpoint about the most important distinction between society and association in terms of rules?
8. Institutions are the basic constituents of any society. Explain the statement with suitable arguments.
9. Based on your observation, write any one role and function which is being performed in each of the following institutions in your area.

Sl. No.	Types of institutions	Roles and Functions
1	Economic Institution	
2	Political Institution	
3	Education	
4	Expressive institution	

10. Describe how family is both an institution and association?
